Any documents submitted as proof of residence must show customary usage or consumption to demonstrate bona fide continuous habitation as determined by Little League, Incorporated in its discretion.

It is recommended that Little League requires proof of residence annually within the league's boundaries at the time the player registers. Players and their parents / guardians are advised that a false statement of residence may lead to ineligibility to play Little League Baseball or Softball. Under NO circumstances does ANY person have the authority to grant a waiver that allows a child to play in a local Little League program in any division, when that child does not qualify under these residency requirements.

If the claim for residency is challenged, three (3) of the above materials must be submitted to Little League, Incorporated, with an affidavit of residency from the parent(s) or guardian. Little League Incorporated shall decide the issue, in its sole discretion, and that decision will be final and binding.

Don't forget to provide the City of Goodyear a copy of your child's Birth Certificate and Shot Records to enroll in the City of Goodyear Little League Baseball program.
