REQUIREMENT / PROCEDURE 09-RP-012					
Subject:	Permit and Plan Review Fees for Solar Water Heaters				
Effective Date:		5/1/09	Revised Date:		

PURPOSE

The purpose of this procedure is to clarify the permit and plans review fees to be charged for solar water heaters for existing Single Family Dwellings as well as the basis of these fees.

PLAN REVIEW FEE

The plan review fee shall be \$35 as specified in Subsection 108.8 of Section 9-1-1 of the Goodyear City Code.

PERMIT FEE

The building permit fee shall be calculated per Table 1-A Building Permit Fees contained in Section 9-1-1 of the Goodyear City Code based upon the valuation of the solar water heater installation. Note this valuation is to be the total value of the work including materials and labor and would be exclusive of any rebates offered by both governmental and non-governmental entities. The permit fee shall be limited to \$175. This limitation, when considered in conjunction with the Plan Review Fee, is for compliance with ARS 9-468.
